## Artists Donating their Performances to Survivors of Australia & New Zealand Disasters

### Three Tenors Tribute Show

*Angelo Falcone, Lawrence Allen & Paul Gulinello along with Gianni Turcio as Musical Director*

#### Angelo Falcone

For 12 years he was the front man of an international group, has impersonated the great "Pavarotti", Elvis & others for many years, then in 1997 started the Three Tenors Tribute Show with friends Sandro Martino & Vittorio Sacca. After entertaining many people (from small corporate functions to 53,000 at the MCG) these two wonderful friends have since stepped back and current show singers appearing with Angelo are Lawrence Allen & Paul Gulinello.

#### Lawrence Allen

Has been "Domingo" with Three Tenors Tribute show since mid 2010, originally trained at the Conservatorium of Music in Melbourne, has an impressive performance history including with the English National Opera, New Zealand Opera, Australian Opera & Victorian State Opera. Lawrence continues to express his passion for singing, opera and performance.

#### Paul Gulinello

Current "Carreras" member of the Three Tenor show, although classically trained in Italy he also likes modern, contemporary & folk songs and continued with his love of music and performing after migrating to Australia. Paul now has a huge repertoire of English and Italian songs though he thoroughly enjoys performing the arias and classics with the show.

#### Gianni Turcio

Musical Director extraordinaire for the Three Tenors Show - Italian born but claimed by Australia. Gianni has accompanied the cream of Australian entertainers & overseas artists, worked in television & on soundtracks, and proudly holds the Associate & Licentiate Diploma in Pianoforte.

#### Carmela De Losinno

Our own Melbourne born Soprano who's been a member of Opera Australia since 1998, studied overseas as well as giving concerts in Germany & Italy and has performed many operatic roles. Carmela's first CD of Italian songs & arias has been released - "Il Bacio". Keep your eye out for her as she performs regularly in concerts and recitals.

#### Sing Australia Choir

No auditions and no pressure – you just need to enjoy singing. The brainchild of Colin Slater OAM who had a vision "for Australia to be a country where everyone sings". You don't even have to read music or sing in tune. Conductor Shaun Islip at the helm of the Hawthorn group.
